Special conditions for hotel stays in 2026

Dear Ladies and Gentlemen,

In 2026, guests of the Technische Universität Braunschweig will again have the opportunity to rent rooms at special rates in selected hotels in Braunschweig. However, we would like to point out that there is no obligation to rent rooms in these establishments. Invoices have to be issued individually to the respective tenants of the rooms; an invoicing to the Technische Universität Braunschweig is generally not intended. Furthermore, we would like to point out that the reimbursement of accommodation costs in the context of a possible travel expense claim via the TU Braunschweig can only be made in accordance with the regulations of the travel expense regulation of Lower Saxony. Please also note that the agreed room rates do not apply during trade fairs and major events in the region. A German version of this circular is available in the information portal for forwarding to your German-speaking guests.
